

Standard 12-passenger Tuscany Transit Van with easy-care grey cloth interior and flip-up cargo door seat.

The Tuscany Transit offers your guests comfort and convenience on the way to their destinations.

TUSCANY TRANSIT

Our E-Z access entry step, as well as the stainless-steel side-entry assist bar, increase safety in transit.

Our standard 28,500 BTU rear AC and floor heat systems, combined with 3 1/2" of extreme weather sidewall and ceiling insulation, provides passengers maximum comfort in all climates.

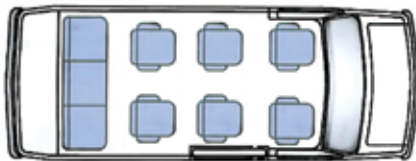

The spacious area behind the rear seats provides ample room for passenger luggage and packages.

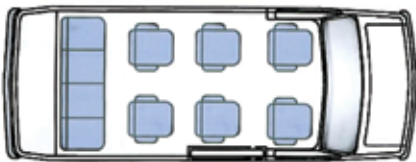

12-passenger seating with optional Blue/Grey interior.

Tuscany offers many other optional features that can be added to the Tuscany Transit standard package.

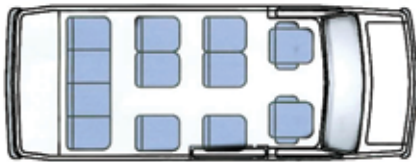

We also offer you the flexibility of deleting certain options for credit that may not be needed in your application.

Standard 9-passenger floor plan with rear luggage compartment

Optional 10-passenger seating with rear luggage compartment

Optional 12-passenger seating with rear luggage compartment shown with flip-up cargo door seat
